

EPA Lead and Copper Rule Revision Required Service Line Inventory Statement: Harris County Municipal Utility District No. 284 ("MUD 284") has no lead service lines or galvanized service lines requiring replacement. MUD 284 has found no evidence of the use of lead service lines: (i) in the system records, including distribution system maps and drawings, historical records, meter installation records, inspections and records of the distribution system that indicate the material composition, or (ii) when reading water meters or performing maintenance activities in the course of normal system operations.
